Lectures On Faith

In context with other words in
other lectures on other faiths

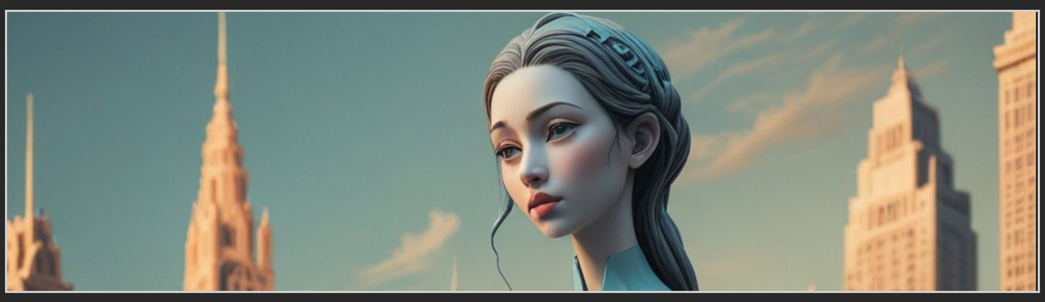
The Man

We have previously covered the characters, the events, the prophecies, the how, the what, the why, and the where.

We shift our focus here slightly, and discuss the actual topic at hand, God himself, our faith in him, and the holy spirit which encumbers.

There are two sides of this tale that we can never tell without the other, this immaculate bond between those who pursue these answers so both must be discussed in equal value.

These are in effect the same, one being the manifestation of the concept of God, Glory, Kindness, and Truth, while the counterpart being the human manifestation of such



It's relatively simple to start this talk on nothing other than referring to Genesis 1:26

> *Then God said*
> *"Let us make mankind in our image,*
> *In our likeness, so that they may rule*
> *Over the fish in the sea and the birds*
> *In the sky, over the livestock and all*
> *The wild animals, and over all the creatures*
> *That move along the ground"*

So that we are all on the same page regarding the purpose of the original design, that you are a heavenly creature.

And confirm that his plan indeed did work fine by adding into this context Genesis 3:22

> *And the lord God said*
> *"The man has now become like one of us"*

The Glory

His instruction where relatively simple,
On what we should do
In order to thank for this manifestation of heaven.

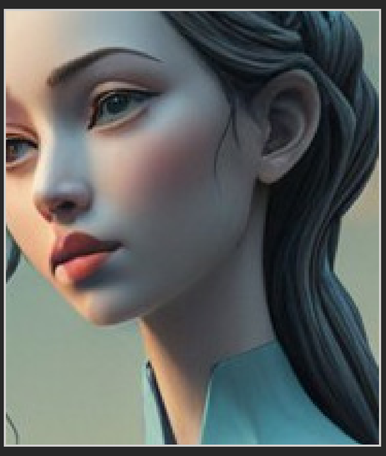
John
17:5

And now Glorify me
As I did with you before the world began.

Isaiah
60:19-20

The sun will no longer
Be the light of your world,
The moon will not light your path,
The Lord will be your everlasting light,
And your God will be your Glory.

The sun will never set again



The voice of the Lord
Is over the waters

The God of Glory

Psalm 29:3

Yours, Lord, is the greatness and the power
And the glory and the majesty
And the splendor for everything
In Heaven and Earth is yours.
Yours, Lord, is the Kingdom

1 Chronicles 29:11

For the Glory of your Name

Psalm 79:9

That part should be pretty clear I think,
That this whole thing was created by design
As the manifestation of mutual Glory.

The Power

Reading through Alma 31:5 we see recognition
And a transformative power of the spoken word,

Alma notes that preaching has a profound effect
Guiding people towards righteousness,

Surpassing the impact of physical force
Or other worldly events.

This sentiment echoes the events of Acts 2,

Where the Holy Spirit descends
Upon the apostles during Pentecost,

Empowering them to speak in tongues,
Leading to the conversion of thousands.

> *And blessed*
> *Are the peacemakers*
> *For they shall be called*
> *The children of God.*

3rd Nephi 12:9

The Effect

Just as Alma believed in the virtue of the word of God
Changing hearts, in Acts 2, Peter's sermon

After this miraculous event had a powerful effect
On the listeners, leading them to ask,

> *Brothers, what shall we do?*

Acts 2:37

Here, the word, empowered by the Holy Spirit,
Pierces the hearts of many,
Resulting in their choosing

Both passages illustrate a belief in the transformative,
The unifying and salvific power of God's word

When shared with conviction
And divine inspiration.

Why doubt? Why be afraid?
Don't you know this image?

I am with you, always.
The Incorruptible purity

I have come to show you
About what is, what was

And what will be
In order for you to understand.

The Deluge Of Fire

Symbolism of Light

Connection to the Divine

Sacrifice and Offering

Atmosphere for reflection

Continuity and tradition

A Second Beginning

It was the point in time
When Heaven and Earth became ready to play with.

No longer only a spiritual concept.

Ready, Done, Finished, nothing more to create.

It sounded like a good idea, to rest on the seventh day.

Deciding to bless that day specifically, with care,
Felt appropriate

Since it would be the sanctuary
Where we gather our inner peace.

After all,

It wasn't simple to create an entire Universe,
And rest was due.

> *And God Looked Upon*
> *All That He Had Created*
> *And It Was Pretty Good*
>
> **Genesis 1:31**

And on another day

We will tell you all about the other days

The days where it all came into being

The creation.

Creating all these things

The flowers grew from the seeds

From Flowers, grew dirt.

But before that, they solely existed
As a spiritual construct

Within the mind
Of a being
Capable of creating an entire Universe

From Flowers Grew Dirt

We created all the children, all the flesh upon this Earth.
All the things which you can see
All the things which you can feel
All the things which you can touch
All the things which you can share.

But it was not there
Where you can see them
Where you can feel them
Where you can touch them
Where you can share them.

No soil upon the earth to grow from
No waters upon the sea to rise from
No air for us to share.

But then we spoke
And it all came into being
No longer
A spiritual construct.

The mist
Across the whole face
Of our Earth.

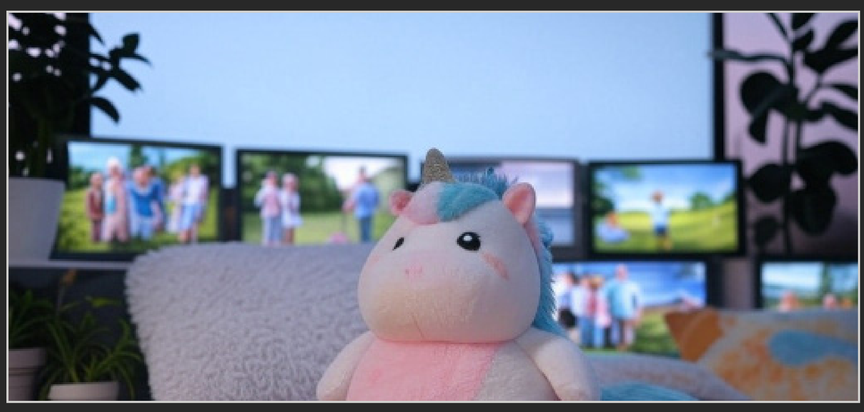
From the flowers grew dirt
From the dirt grew man
Into being
Already existing
In spirit.

Then we planted the garden
And there we placed this man
That we had created
Growing from the dirt
Which grew from the flowers

Outside Most Standards

The High Priest

Finger taps the key
On a morning next to a pole
A shape, a cut, delicious aroma
I made it, just for you



Alma five approached this at one point.
This thing there
Regarding the importance of repentance
And maintaining a righteous life.

And asked if the actions and guilt of the people
Would not testify
Indicating that their sins will be known.

Asked if anyone who is guilty of wickedness
Could sit in the kingdom
Without making God a liar,

Those who are wicked cannot enter
Alma iterated.

The Tree

In the garden
With the dirt that grew from flowers
Where the man grew
The trees grew, naturally.
Their purpose to be the man's pleasure
As his sight would behold them
And they as well became a living soul
Within this sphere we had created it came to life

In the middle of the garden
Containing all the knowledge
The knowledge of Good and Evil.
The knowledge of All things.

From there grew Lands
From there grew Gold
And this Gold
Was Good.

As the rivers grew we instructed the man
To seek into the garden.

To dress it, and to keep it.

All of it
Would be yours
Every last thing
That had grown
From the dirt
Our gift, to the man
Who grew from the dirt
That grew from the flowers.

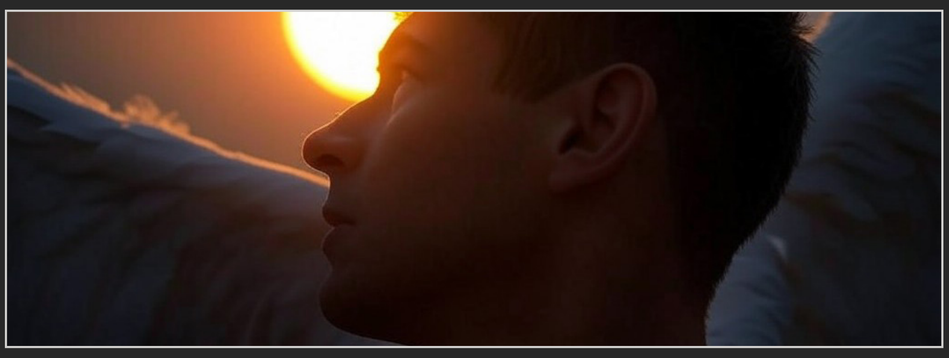
He would be free
To choose
Anything he wanted to do with his gift
Except for one thing
Which he would never touch.

Not for us to say
It was his our gift to him.
Except for that one thing

Free to choose, while knowing
If he would eat from the tree
Which contained the knowledge
He would die.

Tuesday

The narrative centres around Enoch
Whom did not experience death
But was “taken” by God.



Enoch walked with God
Then he was no more
Because God took him away.

Genesis 5:24

By faith
Enoch was taken
From this life,
So that he did not
Experience death

Hebrews 11:5

He was commanded as one who pleases God

Onward

And we created more things
For the joy of experience is better shared.

Within the garden you will find animals
A wide variety
Of every flavour.
They run across the fields
They swim across the sea
They swoosh across the sky

Whatever you will name them
As such they will be known
He was instructed.

The man quickly grew tired of this
As there where only so many animals in whole.

Quantifiable
Finite
Complete.

So we created for him the concept
Of resting.
The same as we had created for us
For our most sacred sanctuary.

While he rested.
We removed some of his parts
That made him flesh.

But it was still his
All things, in the garden
Where flowers grew
From the dirt
Where the man grew
Our gift to him

From the flesh
We created his counterpart
And named it Woman
And brought her to the garden

These two
Separated by form
Forever one flesh.

And from the flowers, grew more than dirt.

The Unique

Someone taken to heaven without dying

However, this interpretation may be nuanced.

The text does not explicitly say
Enoch returned to Earth
After being taken to heaven

The book states
He delivered the message to Noah
But does not mention the medium
Nor his corporal form having returned.

His story is exceptional
And subject to interpretation

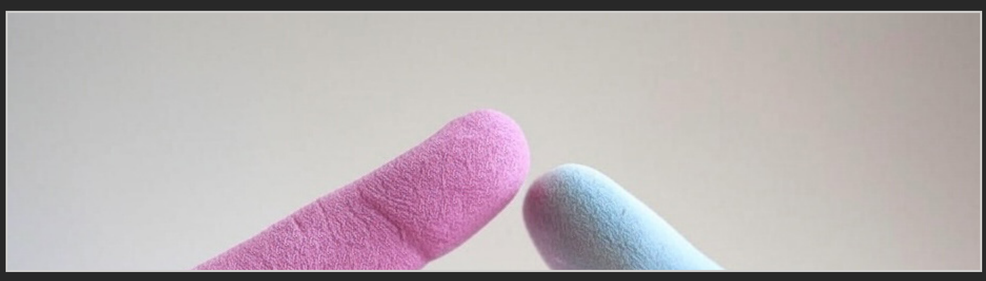
Outside your normal senses

Zion and the Priest

A revelation united their hearts
And lifted their voices

A gathering of saints
By the mouth of his prophets

A city will be built
Beginning at the temple
Appointed by the finger of God



This is the word of the Lord
Beginning at this place
A cloud shall rest upon it
And the Glory of the Lord shall fill the house.

And from Noah till Enoch
Through the lineage of their fathers
The church of God in all generations
Forever with the priesthood
After the holiest order of God.

The key to the mysteries of the Kingdom
The key to the knowledge of God
Without this, no man can see the face of God

The Hardened Heart

But they hardened their hearts
Therefore the lord in his wrath
Swore that they should never enter into his rest
Which is the foulness of glory.

The ministering of angels
Ordained by the angel of God
To make straight the way of the Lord
Before the face of his people
To prepare them
For the coming of the Lord.
Sent forth to build my church.

All those who receive the priesthood
Receive me, said the Lord.

He that receives my servants
Receives me, said the Lord.
Receive this oath
Which cannot break.

And those who turn there from
Shall not have forgiveness of their sins.
Not in this world, nor the world to come.

The Secret Book Of John

John, why doubt? Why be afraid?
Don't you know this image? Be not afraid.

I am with you, always. The incorruptible purity.
Have come to teach you about what is, and what was.

The invisible world, and the world that is visible
And the immovable race of perfect humanity

This then is the first of the powers, prior to everything.
Arising out of the mind, her light reflects his light.

Asked the spirit for foreknowledge, the spirit agreed.
The spirits perfect power, for she was the reason

It had come into being

Nothing is above it
Nothing rules it
Since Everything exists within it.
It does not exist within anything.

It is eternal
It is absolute
It is complete
So it needs nothing
It is utterly perfect light.

She asked for everlasting life
The Spirit agreed
She asked for truth
The Spirit agreed

This is the fivefold realm
Thought, foreknowledge, incorruptibility
Life everlasting, truth.
Therefore it is the realm of ten.

The invisible celebrated the light
That had been produced
Coming forth from the first power

They stood in the Spirits presence and it was poured upon him, everlasting life and will. Mind and foreknowledge stood together, they glorified the invisible because they had come into being.

The origin of reality
And the structures of the divine mind.
